

S&P Global Logo Guidelines with Corporate Sustainability Assessment (CSA) Score Inclusion

The following Guidelines apply to use of the S&P Global logo and words, phrases, symbols, designs and other distinctive brand features associated therewith (the “Graphic”) when mentioning S&P Global CSA Scores.

Improper use of the Graphic weakens the quality of these assets and S&P Global may take all legal or other actions necessary to protect the Graphic. In these Guidelines, “you” means any user of the Graphic.

By accessing and using the Graphic, you agree to these Guidelines. If you are reviewing these Guidelines in order to use the Graphic on behalf of an organization, you represent that you have authority to agree to these Guidelines on behalf of such organization.

Subject to compliance with these guidelines, if you are the recipient of an applicable S&P Global CSA Score, for the year in which you receive the CSA Score, you shall have a non-exclusive, non-transferable license to display the Graphic as follows:

1. You shall reproduce the Graphic in the form provided by S&P Global with your S&P Global CSA Score, your company name, and corresponding CSA Score date. You shall not alter or modify the Graphic artwork, including color specifications, clear space, position, cropping, or resizing the original proportion, as provided to you by S&P Global. You shall maintain clear space between other logos, symbols, signatures, or copy.
2. You shall not place the Graphic and CSA Score on a textured or heavily patterned background.
3. The Graphic and CSA Score may be used in your corporate reporting, social media, or corporate website, but may not be used in conjunction with advertising for a specific product or service.
4. Your affiliates may not use the Graphic without S&P Global's prior written consent.
5. You shall not use the Graphic with the CSA Score as part of a headline or other copy treatment.
6. You shall not use the Graphic in a containment graphic and/or as part of a portion of a larger graphic.
7. You acknowledge and agree that S&P Global reserves the right to revoke permission to use a Graphic if S&P Global determines, in its sole discretion, that your use of the Graphic is, in S&P Global's reasonable judgment, likely to disparage or impair the reputation and integrity of the Graphic.
8. You acknowledge and agree that (1) your use of the Graphic shall not subject S&P Global or any of its affiliates to responsibility or liability for unrelated content included in any document or material in which the Graphic are included and you shall indemnify, defend and hold S&P Global and its affiliates harmless against the same and (2) receipt of an S&P Global CSA Score does not represent a sponsorship, endorsement or recommendation on the part of S&P Global to buy, sell or hold any security and a decision to invest in any subject company should not be made based on the receipt of any such note.
9. S&P, S&P Global, and the S&P Global logo are trademarks of S&P Global Inc. or its subsidiaries, registered in many jurisdictions worldwide.
10. You acknowledge and agree that your use of the Graphic shall otherwise be subject to the terms and conditions set forth under “[Terms of Use](#).”

S&P Global

About S&P Global

S&P Global (NYSE: SPGI) provides Essential Intelligence. We enable governments, businesses and individuals with the right data, expertise and connected technology so that they can make decisions with conviction. From helping our customers assess new investments to guiding them through sustainability and energy transition across supply chains, we unlock new opportunities, solve challenges and Accelerate Progress for the world.

We are widely sought after by many of the world's leading organizations to provide credit ratings, benchmarks, analytics and workflow solutions in the global capital, commodity and automotive markets. With every one of our offerings, we help the world's leading organizations plan for tomorrow, today. For more information, visit www.spglobal.com.
