# Language Policy for the S&P Global Corporate Sustainability Assessment (CSA)

The official language of the S&P Global CSA is English. We recognize that many CSA participants are based in non-English speaking countries, and often their base of operations may also be concentrated in those countries. The following approaches apply to documents and websites in languages other than English:

**Public documents and websites:** S&P Global will accept these as supporting evidence and will translate them. S&P Global may use automated translation services for these purposes. Some content may not be accurately translated, for example, images, graphs etc. While reasonable efforts are made to provide accurate translations, S&P Global will not take any responsibility for potential errors, ambiguities or omissions related to the translations. Companies are encouraged to provide English translations whenever possible.

**Non-public documents:** When providing non-public documents in languages other than English, companies should provide a brief English translation of the relevant passage(s). This can be provided via the confidential additional comment field or the comment field linked to the relevant reference box, or alternatively attach a second document containing the translation.

BY ACCESSING OR USING THE PORTAL AND SUBMITTING THE CSA QUESTIONNAIRE OR ANY OTHER ASSESSMENT OR QUESTIONNAIRE TO S&P GLOBAL, YOU (AS AN INDIVIDUAL, COMPANY, BUSINESS, CORPORATION OR OTHER ENTITY) (1) ACCEPT AND AGREE TO BE BOUND BY THE TERMS AND CONDITIONS SET FORTH IN THIS POLICY, INCLUDING, WITHOUT LIMITATION, TO THE USE OF YOUR INFORMATION AND RESPONSES PROVIDED IN CONNECTION WITH SUCH QUESTIONNAIRE OR ASSESSMENT AND (2) ACCEPT AND AGREE THIS POLICY ON BEHALF OF YOUR AFFILIATED COMPANY, BUSINESS, CORPORATION OR OTHER ENTITY, AND YOU REPRESENT AND WARRANT THAT YOU HAVE THE AUTHORITY TO BIND SUCH ENTITY TO THIS POLICY, IN WHICH CASE THE TERMS "YOU" AND "YOUR" WILL REFER TO SUCH ENTITY.
